Manuela - Joanna - Nairobi

## Graduation

Congratulations to seven employees of COPA who graduated at USAD, a public university. Six are graduates in education and one, Nairobi graduated in accounting. Two were scholarship students, Nairobi and Manuela, and the other five did it on their own.

All seven graduates, Nairobi, Manuela, Joanna, Frakatia, Dawson, Javier and Mercedes were former COPA students. These and other graduates are the success stories that inspire us all. Thanks to all COPA sponsors who continue to provide educational opportunities.
